THE  
DR. STEVEN (Z" L) & EVELYN ROSEN  
STARS OF TOMORROW  
SCHOLARSHIP PROGRAM

**Steven Rosen** was inducted into the Michigan Jewish Sports Foundation in 2009. Steven was a high school track star who won the county championship in the high jump and was the runner-up in the 180-yard hurdles. At the University of Michigan, he lettered in track in 1971. As a varsity trackman, he placed in several dual and invitational meets, as well as participated in the Big Ten Championships. He went on to graduate from Wayne State Medical School and practiced Radiology from 1978-2006. Additionally, Steven was a starter for the U.S.A. basketball squad in the 35-and-over division of the Maccabiah International Games in Israel in 1993.

**The Dr. Steven (Z"l) and Evelyn Rosen** scholarship program strives to build athletes for today's competitive and academic environment. Steven and Evelyn had been married for many years raising three children who are all graduates from the University of Michigan. As the Rosen household emphasized the importance of education, this scholarship opportunity is meaningful to carry on in Steven's name. While not every athlete will make it to the big leagues, all who are recognized will have shown the passion and promise that personifies members of the Michigan Jewish Sports Hall of Fame, such as Hall of Fame Class of 2009 inductee, Steven Rosen. This one-of-a-kind, tuition scholarship is designed to assist Jewish high school seniors and medical students who have dedicated themselves to achieving outstanding academics, while also competing at the highest athletic level. Criteria includes: financial need, athletic and academic achievement, record of community service, and extra-curricular activities.

## THE DR. STEVEN (Z"l) & EVELYN ROSEN STARS OF TOMORROW SCHOLARSHIP PROGRAM

**Gabe Cohen:** A Cranbrook Schools graduate who received numerous awards in swimming, is now attending the University of Michigan in Engineering. His parents are Michelle Cohen and Michael Cohen.
